

Day 1: Unable to complete a task, creating a video.

Inner Coach: Don't stress. It is not a deadline. Complete it first thing in the morning.

Day 2: Couldn't complete AWS VPC creation completely to the last

Inner Coach: Use internet, find documentation and even then if you couldn't find the solution, ask any AI tool like ChatGPT.

Day 3: Sticking to timelines

Inner Coach: First inform the manager, and work on completing the task.
